THE COMPANY

ABOUT & VISION

At Infinity Facilities Management, we bring over 7 years of expertise in facility management and maintenance, ensuring that every property under our care is maintained to the highest standards. As a one-stop solution for all your property and society management needs, we offer a comprehensive range of services designed to make property maintenance smooth and hassle-free.

Our vision is to provide unparalleled service, ensuring that your property is not only well-maintained but also remains a valuable asset. Whether it's routine maintenance, specialized services, or managing the day-to-day operations of a residential society, Infinity Facilities Management is committed to delivering excellence in every aspect.

With a focus on reliability, efficiency, and customer satisfaction, we strive to create a seamless experience for property owners and residents alike. Leveraging our extensive experience, we ensure that your property is in capable hands, allowing you to focus on what matters most.

GHANSHYAM KANNAUJIYA

ENGINEER | NIT | ELECTRICALS

With over 13 years of expertise in the Operations and Service Sector, being the driving force behind Infinity Facilities Management, a premier property management venture. Professional career includes pivotal roles as Operation Manager at Avinash Magneto Mall, Raipur and Mall Manager at TI Mall, Bhilai. Also the founder of Graphoenix Creations, a cutting-edge digital marketing firm, showcasing the versatility and leadership across industries.

GROUP OF COMPANIES

SERVICES

TECHNICALS

ELECTRICAL MAINTENANCE

We provide expert Electrical Maintenance Services for both residential and commercial projects. With 7+ years of experience, we ensure your electrical systems are safe, efficient, and reliable. Our services include routine inspections, preventive maintenance, and emergency repairs, all delivered with a focus on safety and compliance.

WATER MANAGEMENT

We offer specialized Water Management Services for residential and commercial projects, including the operation and maintenance of STP (Sewage Treatment Plants) and softener plants. Our expertise ensures efficient water treatment and management, providing sustainable and reliable solutions for your property.

COMPLAINT MANAGEMENT

We offer prompt and efficient Complaint Management Services for residential and commercial projects. We handle electrical and plumbing issues with expertise, ensuring quick resolutions and minimal disruption to your daily operations.

SERVICES

OPERATIONALS

OFFICE MANAGEMENT

We provides comprehensive Office Management Services for residential and commercial society offices. Our services include handling administrative tasks, managing daily reports, and ensuring smooth office operations, allowing you to focus on core activities.

HOUSE KEEPING MANAGEMENT

We delivers top-tier Housekeeping Management Services for residential and commercial projects. We handle day-to-day operations and reporting, ensuring cleanliness and hygiene standards are consistently met, providing a well-maintained environment for all occupants.

GARDEN MANAGEMENT

We offers expert Gardening Services for residential and commercial projects. We manage day-to-day gardening tasks and reporting, ensuring your green spaces are beautifully maintained and thriving, contributing to a pleasant and inviting environment.

VENDOR SUPERVISION

SECURITY, CCTV & FIRE

We provide vigilant supervision of security vendors, ensuring that safety protocols are strictly followed and that security operations run seamlessly in both residential and commercial settings.

LIFT AMC & DG

We oversee the maintenance and performance of lift AMC (Annual Maintenance Contracts) and DG (Diesel Generators), ensuring all equipment operates efficiently and is regularly serviced to prevent downtime.

MY GATE

We supervises gate management services, including integration with the MyGate app, to ensure smooth and secure entry and exit processes for residents and visitors through Security.
